RE: Request for Records

Dear Sir/Madame:

On June 4, 2019, we received your fax dated the same date requesting records in the possession of this office. Your 10 page request for records is attached.

Although your June 4, 2019, fax states that you sent this office this request on May 1, 2019, we have no record of receiving your request prior to the June 4, 2019, fax.

The Kansas Open Records Act (KORA), K.S.A. 45-215 *et seq.*, establishes a framework for responding to requests for public records, as well as providing access to or copies of records in the possession of a public agency. However, it does not require a public agency to answer questions asking for information. Likewise, the KORA does not require that a public agency create a document to respond to a request for information. A public agency is only required to produce copies of records in existence at the time of the request, subject to any statutory restrictions.

This letter is written to acknowledge receipt of your request and provide you with information concerning its status, in accordance with K.S.A. 45-218(d).

We note that your request does not include your name or a mailing address where you may be contacted. K.S.A. 45-220(a) requires Kansas public agencies to adopt procedures to be followed in requesting access to and obtaining copies of public records. This office has established the Kansas Attorney General Record Request Policy as required by K.S.A. 2018 Supp. 45-220.¹ This policy requires a requester to provide the requester's name, mailing address, a phone number where the requester can be contacted, and detailed information about the records being requested. In accordance with our policy, we ask that you send us a letter with this required information. We will not be able to provide you with copies of records responsive to your request, if any, until we receive your letter with the requested information. If we do not hear from you by **Friday, July 5, 2019**, we will consider your request for records withdrawn.

Page 2

We note that your open records request is very broad including 133 separate searches over a two and a half year time period. Under the KORA, a requester is, of course, free to phrase a request broadly and to seek broad categories of records. The difficulty with such a broad request, however, is that it hampers our ability to search for specific records the requester may in fact be interested in and increases the associated costs of responding to such a broad request. Pursuant to K.S.A. 45-218(f), a public agency may charge and require advance payment of a fee for providing access to or furnishing copies of public records.² Because we anticipate that the fee will be significant, we are notifying you before we conduct additional research into your request.

Please be aware that a request may be declined pursuant to K.S.A. 45-218(e) if the request places an unreasonable burden in producing the records. In order to help us assist you in locating the records you are interested in, you may wish to consider whether it is possible to revise your open records request to focus more directly on records, timeframes, and employees of this office that would be responsive to your area of interest. This would also assist us in reducing the time and expense associated with searching for and producing the requested records. If you wish to revise your request, you may send it to me at the address on this letter.

Thank you in advance for your assistance. If we do not hear from you by **Friday, July 5, 2019**, we will consider your request for records withdrawn.

Sincerely,

OFFICE OF THE ATTORNEY GENERAL
DEREK SCHMIDT
